Date and place of birth: 26.06.1971, Přerov, Czech Republic

Nationality: Slovak

Education (*degrees, dates, universities*)

Ing. 1994 Department of Analytical Chemistry, Slovak University of Technology

PhD. 2000 Department of Analytical Chemistry, Slovak University of Technology

Career/Employment (*employers, positions and dates*)

Dpt. of Analytical Chemistry, Slovak University of Technology, research assistant - 04/1999-06/2001

Department of Chemistry, Texas A&M University, Texas, USA, research assistant - 07/2001-06/2003

Institute of Analytical Chemistry, Slovak University of Technology, senior researcher - 07/2003-08/2010

Institute of Analytical Chemistry, Slovak University of Technology, associate professor - 09/2010-present

Fields of Specialisation

- (i) **main field:** Analytical chemistry, development of novel techniques and methodologies for identification/ determination and monitoring of organic contaminants in environment and food.
- (ii) **other fields:** chiral separations, preparative scale chromatography

Current research activities:

Development of database systems for assessment of environmental status, Quality control systems in analytical chemistry, Analytical method for monitoring of environmental pollutants, Analytical methods in food quality and safety, Food authentication

Honours, Awards, Fellowships, Membership of Professional Societies

Invited member of scientific committee on 3rd International Workshop on Alcoholic Beverage Authentication, Stressa, Italy

Invited member of Newenviro 2012, Novi Sad, Serbia

Member of EURACHEM education and training working group

The best poster presentation on International Congress on Analytical Science, 2006 ,Moscow, Russia

Publications :

Author of 32 publications in peer reviewed journals, more than 150 invited lectures, lectures and posters at international scientific meetings, citation index 154.
